Happy Retirement, Rhonda!

Our beloved Midwifery Program Coordinator, Rhonda Ray, will be retiring! Rhonda worked for 30 years as a midwife in California and Oregon and brought hundreds of babies into the world, then joined the Birthingway team for a ten-year run of helping students on their paths to midwifery! While we are extremely sad to see her go, we are happy to celebrate her well-deserved retirement.

Read a note from her on Page 2.

A Note from Rhonda

When I made the decision to transition out of my 30 year midwifery practice, I never imagined I would have a second career as fulfilling as being a midwife. Being here at Birthingway these last 10 1/2 years has been that for me. The passion and dedication of the students, and the supportive and brilliant staff have met all my needs for a relationship-based, flexible, and fun work environment.

Although I am looking forward to the future, I will miss this place that is a home for us all, and I will miss each one of you.

Keep carrying the banner of this heart work that we all do. It is a precious and important thing.

*With love,
Rhonda*

I cannot say enough about how patient and welcoming Rhonda was in answering my questions when I was still living on the East Coast, waaaaaaay before I even ever got to visit here much less move here. Rhonda has always been a guiding light in the process of moving to Portland to pursue my life's calling as a midwife. I adore her and wish her all the best in her new life as a retired midwife to midwives. Her grandchildren and daughters are lucky to have someone so loving and thoughtful.

-Dana Slaughterbeck, 2016 Midwifery Cohort

Welcome Heather Hack-Sullivan as Our New Midwifery Program Coordinator!

It is bittersweet to be starting this job as the wonderful Rhonda is leaving--there is no replacement for her. I am very honored and excited to work with the students in this capacity as I begin my 20th year as a part of this beloved community.

I look forward to helping you along your paths,

Heather

Belly Models Needed

This term, our Prenatal Skills course is taught on **Thursday afternoons through December 7th**. We schedule two to four pregnant women every week (between 20 weeks and term) so that the students can practice hands-on, gentle, midwifery care. If you're interested, we need you from 3:30-4:45pm. Skills include feeling your belly for baby's position, listening to heartbeat with a fetoscope and doppler, and measuring your fundal height. There are no invasive skills practiced, and we will give you and your baby lots of sweet energy! We will pay you a \$20 stipend and offer a foot massage, too.

Dress in layers as it can get warm in the skills room, and please wear something that you can pull up to expose your lovely belly. If you want to come back after your first time, we would love to see your belly grow. It's lots of fun and so wonderful for the students to have this opportunity.

Email MPC@birthingway.edu or call 503-760-3131 and be sure to include your phone number so we can send you a text or give you a reminder call!

News from the Oregon Midwifery Council

The Oregon Midwifery Council/PDX region invites you, as always, to participate in their every-other-month Peer Review if you are in an apprenticeship and accompanied by your preceptor. You are also invited to attend their business meeting on the same day (open to all). They will meet in November, January, March, and May. Please contact Sarah Ehrlich at omcreportland@gmail.com for more details. These meetings are an excellent place to meet the midwives in your region and to learn about the politics and structure of the professional organization. Join them!

OMC is also celebrating five years of "Common Ground". They have been meeting with midwives of all backgrounds--Certified Nurse, Naturopathic,

Licensed Direct Entry, and Traditional Midwives--as a way of building bridges. They aim, three times a year, to bring topics and issues that are relevant and create more opportunity to understand and support one another in their work. They hope you will join them at their gathering in May 2018 to celebrate International Midwives Day.

Save the date for the Oregon Midwifery Council's Annual Spring CEU Conference! It will be on Friday, March 16th, 2018. Please contact Catherine Bailey at catherinewbailey@gmail.com if you are interested in volunteering that day for a reduced entrance fee! The Conference is always a day full of excellent information, research, skill building, and connection.

Birthingway Apparel

Visit [zazzle.com/birthingwaycollege](https://www.zazzle.com/birthingwaycollege) for:
t-shirts | sweatshirts | notebooks | mugs | magnets
and more to show your school spirit!

Bumper stickers are also available in the Birthingway front office for \$5 each.

Birthingway Library Updates

Book Club is Back!

The Library will be hosting a book club at the start of Winter Term. This way you will have winter break to enjoy reading and we can all come back and talk about the book together. We will be reading the graphic memoir (aka comic book) *Pregnant Butch: Nine Long Months Spent in Drag* by A.K. Summers. This time, we are going to try meeting off campus. Date and details to come!

Book Description:

First pregnancy can be a fraught, uncomfortable experience for any woman, but for resolutely butch lesbian Teek Thomasson, it is exceptionally challenging: Teek identifies as a masculine woman in a world bent on associating pregnancy with a cult of uber-femininity. Teek wonders, "Can butches even get pregnant?" Of course, as she and her pragmatic femme girlfriend Vee discover, they can. But what happens when they do? Written and illustrated by A.K. Summers, and based on her own pregnancy, Pregnant Butch strives to depict this increasingly common, but still underrepresented experience of queer pregnancy with humor and complexity—from the question of whether suspenders count as legitimate maternity wear to the strains created by different views of pregnancy within a couple and finally to a culturally critical and compassionate interrogation of gender in pregnancy. Offering smart, ambitious art, this graphic memoir is a must-read for anyone interested in the intersection of birth and gender.

Community Updates

Congratulations, Drake!

Our Operations Coordinator and Registrar, Drake, got engaged in early October to her partner Nick while in beautiful Hawaii! Congrats Drake and Nick!

2017 Faculty Additions

We've had amazing additions to our faculty this year! If you haven't met them yet, make sure to introduce yourself to:

Merriah Fairchild: *Postpartum Doula Workshop*
Merriah attended Birthingway to become a postpartum doula and IBCLC. She is passionate about supporting families after birth and loves to share this passion with her students. She is also the founder of Bridgetown Baby, which provides postpartum doula and lactation support. When

she is not teaching, supporting families, or entrepreneuring, she enjoys running, crafting with her two daughters, and cooking with her instapot.

Arika Bridgeman: *Working Cross-Culturally*
Bonus fact about Arika: she has two children, Malcolm age 11, and Salome age 7!

Sarah Husain: *Midwifery History and Politics*
Sarah is a midwife, activist, and educator who is committed to empowering Midwives to reclaim their tradition and work! She knows that together, we can shift perspectives so that we can create a more inclusive community of midwives and serve families with respectful compassion!

Aerlyn Pfeil: *Midwifery Integration, Complex Situations III*
Aerlyn is just back from working with refugee populations through Doctors Without Borders!

Catherine Akerson Bailey: *Pharmacology*
Catherine is coming back to Birthingway after graduating from the midwifery program in 2013 and working as a licensed midwife in Portland, OR for the past four years both at a birth center and now in her private practice, Unfurling Birth and Midwifery Services.

Community Updates, Continued

Thank You, Corey!

Birthingway's longtime Technology Coordinator, Corey, has stepped back from his work at the College to focus on his own projects.

Corey says, "Eight and a half years is too long to be at one place (and the same desk!) and not have it feel pretty personal. I really loved my time here, and it's been a really hard decision to leave. I'm really going to miss being at Birthingway because of all the people who make it what it is." We'll miss you, Corey!

A few words from our community:

Corey has been an amazing asset to Birthingway students! He helped me fix my own computer a few times, too. I'm sad that he's leaving!

-Araya Montero, 2014 Midwifery Cohort

Corey has definitely supplemented our learning here! There were many times when we could not have had class without him.

-Hannah Schaus, 2017 Midwifery Cohort

I think one of my favorite stories that Corey told me was from a couple years ago when he had the downstairs basement office by himself. Corey always made sure to leave the office before Gyn Skills started because he's a guy and it would kinda be inappropriate to try to walk from our office to the stairs while Gyn is in session. Long story short, he found himself trapped in the office, realizing that Gyn Skills had started and he had to leave for an appointment. So he climbed out the office basement window, called the Front Desk, and asked them to go down and lock the window from the inside. Much better to hear in person, but funny either way!

-Stacey Maurer, Staff Member

Welcome, Bert!

Roberta Hodara (Bert, for short!) has come into the Technology Coordinator role as Corey has transitioned out. We are thrilled to

have her! Bert recently moved to Portland after living for the last 39 years in Hawaii. For the last 25 years she was the technology coordinator and computer programming teacher at a private school on Maui. Bert has a BA in linguistics and an MS in Computer Systems from State University of New York at Binghamton. Besides the satisfaction Bert gets from solving computer problems, she enjoys playing Scrabble, *plein air* painting, ceramics, and spending time with her two-year-old grandson. Being a mother of three, Bert has always appreciated the work of midwives and is thrilled to be a part of a college that is providing such an excellent foundation for future midwives, doulas, and lactation specialists.

New Album from Two Midwifery Students

Web of Wyrld was woven by Araya Montero and Kristina Parks, from the 2014 Midwifery Cohort. They found a flow of musical

creation together as they moved through the program, and formed Daughters of the Moon. This EP was produced by Whitney Wolfe, also from the 2014 Cohort.

Bonnie's Sabbatical

Faculty member Bonnie McAnnis is taking a one-year sabbatical from teaching at Birthingway, effective September 1st, 2017. We will miss seeing her at school!

Bonnie was my very first instructor at Birthingway and gave me a very deep introduction as to how Birthingway is such a vastly different school. She swims in the dark and invites us to swim with her in her very thoughtful meaningful search for what we are and who we become in life and as midwives and caregivers.... I do wish her all the best and hope that she knows how much we truly love and cherish our time with her.

--Dana Slaughterbeck, 2016 Midwifery Cohort

Helping Families in Puerto Rico

One of our student midwives, Rosemary, is teaming up with another student midwife from Bastyr University to raise funds in support of families in their native Puerto Rico. The maternity center they are working to help needs a power generator and many other basic materials to help pregnant families receive care.

Please share and give if you can!

Elizabeth's Story

Seven years ago today, I was 40+ weeks pregnant and anxiously awaiting the arrival of my daughter. Though her birth didn't go exactly to plan, I remain extremely grateful for the wonderful providers I had. My midwives allowed us to make decisions and respected our odd requests, they encouraged me, they offered their knowledge, and they shared in our joy. We were also lucky enough to have a student midwife in attendance, one that had spent years as a doula. She spent countless hours pushing on my back and saying calming words, in exchange she got to practice some new skills. That experience, along with my son's birth, surely led me to Birthingway. I am truly honored to be a part of our students' journeys.

-Elizabeth Bragg, Staff Member

Celebrating Clinical Training

Brittany Walker is starting her clinical training with Angela Beach-Hart at Birth, Babies & Beyond. Whitney Wolfe started clinical training at Canyon Medical Center. Congratulations!

Updates on Birthingway's Workgroup on Equity and Inclusion (WEI)

Birthingway's Workgroup on Equity and Inclusion has started organizing an opportunity to honor Martin Luther King Jr. Day, which will take place on January 15th, 2018. Please let Claire (claire@birthingway.edu) know if you're interested in participating in the planning process.

WEI has continued to meet on a monthly basis to discuss ideas and coordinate work related to fostering equity, inclusion, and reproductive justice in our community and in our larger society. Over Fall term, we started work related to creating an institution-wide equity and inclusion statement and plan, updating our curriculum to thread anti-oppression coursework throughout, and incorporating best practices to make Birthingway a place that affirms all forms of gender identity and expression.

If you would like to participate in these conversations and receive further news and updates from WEI, including our meeting times for Winter Term, please send Claire an email (claire@birthingway.edu) asking to be added to the WEI list.

"I am not free while any woman is unfree, even when her shackles are very different from my own" -Audre Lourde

"Injustice anywhere is a threat to justice everywhere" -Martin Luther King Jr.

Continuing Education Opportunities

Join us to learn more about important topics in birth work and to network with speakers, current students, alums, and professionals in the field.

HiveCE

Birthingway and HiveCE are excited to announce that they have partnered on several fantastic projects! Filming has been completed for the following online continuing education classes, all taught by our very own Holly Scholles:

- *Neonatal Jaundice: Friend or Foe?*
- *Thyroid Disorders in the Perinatal Period*
- *Congenital Heart Defects*
- *Emergency Childbirth for Doulas*

They will be published soon and available at www.HiveCE.com. We look forward to the release of these classes and of several other joint projects we have in the works!

Oral Health Education for Doulas

Effective October 2017, all labor doulas applying or reapplying for state certification also need to complete an approved Oral Health Educator training.

Birthingway is hosting a three-hour oral health CEU workshop to meet this requirement. The oral health education included in the workshop can be incorporated into prenatal and postpartum visits to help clients understand how parental oral health can affect their pregnancy and birth, how to track oral health developments in babies, and how parental/care provider oral health can impact a child's dental health for the early years and throughout their life. Students will also learn about low-cost referral resources for clients.

Open to Birthingway AND community doulas. Limited to 35 participants, registration required.

Date and Time: Sunday, December 3rd from 2:00pm-5:00pm

Location: Birthingway College of Midwifery, 12113 SE Foster Road, Portland OR

Costs: FREE for enrolled Birthingway doula students, BPI Sacred Roots Doulas. \$10 for other doulas.

[Register online here](#) and submit PayPal payment per the instructions on the form OR register online and arrive early to pay with cash or check the day of the workshop.

Please call 503-760-3131 or email info@birthingway.edu with questions.

Trauma-Informed Care

Birthingway is in the process of organizing a Trauma-Informed Care training for our community in 2018. Please check our [Registration page](#) in Winter Term for the upcoming details!

Registration Information, Dates, and Deadlines

Winter Term: January 1, 2018 – March 24, 2018

Registration for Enrolled Students Begins:	Monday, November 27, 2017 at 8:30 am
Registration for Community Students Begins:	Monday, December 4, 2017 at 8:30 am
Registration Deadline:	Friday, December 8, 2017 at 1:00 pm
Enrollment Confirmation Deadline:	January 8, 2018 at 4:30 pm

Definitions:

- **Enrolled Student:** A person who has applied to a program at Birthingway, been accepted, and completed enrollment paperwork. This includes students in the Midwifery, Lactation Consultation, Labor Doula, and Postpartum Doula programs.
- **Community Student:** A person who is not enrolled in a program at Birthingway but takes courses or workshops.

General Registration Policies:

- Registrations are accepted on a first come, first served basis.
- Registrations which are received before the registration start date and time will be processed at the end of the day on the registration start date.
- Walk-in, faxed (fax #: 503-760-3332), e-mailed or mailed registrations will be date/time stamped in order of receipt. **If you fax in your registration, please call us at 503-760-3131 to confirm that it has been received.** If your fax doesn't go through, your registration will not be complete and could also result in late fees or not getting a course you need. **E-mailed registrations must be submitted through student's Birthingway e-mail, if applicable, and be sent to info@birthingway.edu as a PDF to be accepted.**
- If paying through **PayPal**, you must include a copy of your PayPal payment confirmation or your registration will be considered incomplete and delayed until the confirmation is received.

Registration Information for Enrolled Students:

- All enrolled students must register each term to maintain their enrollment status.
- If you are planning to **graduate** or **certify** this term you must still turn in a completed registration form and full payment for your registration fee and tech fee (and late registration fee if you're registering after the Registration Deadline), even if you are not taking any credits.
- **Enrollment Confirmation Deadline:**
 - If you have not registered by the Enrollment Confirmation Deadline, you will be withdrawn from your program at Birthingway.
 - Eligibility for **financial aid** is based on your enrollment status as of the Enrollment Confirmation Deadline. We use this date to determine whether you are attending full, 3/4, half, or part time, and your corresponding financial aid award. No changes are made to your financial aid award after this date except in limited circumstances. For more information, see the *2017-2018 Student Handbook and Catalog*.

Payment, Good Financial Standing, and Financial Aid:

- Good financial standing means that all charges are paid when due. If you are not in good financial standing, you will not be allowed to register for courses or workshops in a new term, have a transcript released, or graduate.
 - >> **If you are not in good financial standing**, you may still register for the term to remain in your program (paying only your registration and technology fee, and late fee, if applicable).
- Payment of tuition and fees is due at the time of registration for each term unless the following applies:
 - Midwifery Program Students Only:** You are eligible for Federal financial aid and will be receiving a disbursement in that term. (You must have a completed Free Application for Federal Student Aid (FAFSA) and a signed award letter on file at Birthingway showing a disbursement in that term.)
 - Lactation Program Students Only:** You have a written payment plan in place or you have a private student loan through a private lender and will be receiving a disbursement in that term.
 - Midwifery and Lactation Program Students:** You have been approved for Veteran Education Benefits to attend Birthingway and will be receiving benefits for that term.
- Textbook and equipment kit charges are due when ordered, unless you are receiving a Federal financial aid disbursement or private loan disbursement in the term and have authorized payment from your financial aid disbursement. All overdue amounts are subject to a finance charge of 15% APR with a \$5 minimum per month. Any costs incurred to collect these amounts are the responsibility of the student.

Payment of tuition and fees is due at the time of registration for each term unless the following applies:

Midwifery Program Students Only: You are eligible for Federal financial aid and will be receiving a disbursement in that term. (You must have a completed Free Application for Federal Student Aid (FAFSA) and a signed award letter on file at Birthingway showing a disbursement in that term.) **Lactation Program Students Only:** You have a written payment plan in place or you have a private student loan through a private lender and will be receiving a disbursement in that term. **Midwifery and Lactation Program Students:** You have been approved for Veteran Education Benefits to attend Birthingway and will be receiving benefits for that term.

Textbook and equipment kit charges are due when ordered, unless you are receiving a Federal financial aid disbursement or private loan disbursement in the term and have authorized payment from your financial aid disbursement. All overdue amounts are subject to a finance charge of 15% APR with a \$5 minimum per month. Any costs incurred to collect these amounts are the responsibility of the student.

A student must be in good financial standing to register for courses. Any costs incurred to collect these amounts are the responsibility of the student. Credit card payments are accepted through PayPal – for instructions, visit <http://birthingway.edu/for-students/make-a-payment/>. By paying through PayPal, you agree to PayPal and Birthingway's terms and conditions. You must include a copy of your PayPal payment confirmation if paying by PayPal, or your registration will be incomplete and delayed until confirmation is received.

Registrations are accepted by mail or fax; walk-ins are accepted in the front office during office hours only (please see www.birthingway.edu for listed hours). Registrations will be date/time stamped in order of receipt. Registrations received BEFORE registration begins will be processed at the end of the first registration day, in order of receipt. **Registrations received AFTER the registration deadline will incur a \$75 late registration fee.** If you fax your registration (503-760-3332) it is *your responsibility* to call and confirm that we have actually received your fax. If your fax doesn't go through, your registration will not be complete and could also result in late fees or not getting a course you need. **Several courses have readings due the first day of class. Please check with the front office for the availability of the syllabus and/or course-pack ten days before the start of each course.**

All courses have a minimum of 5 students and a maximum of 18 students unless otherwise noted.

Hematology Skills (HEM311q) 1 credit hour

This course covers a variety of lab skills used to draw and assess blood. Skills covered include hemoglobin, hematocrit, and glucose evaluations with in-office devices. Students also learn venipuncture skills, including vacutainer, syringe, and butterfly devices, then move on to review treatment of shock theory and begin to practice IV skills on a mannequin.

Taught by Denise O'Halloran, BS, EMT-P

Dates: Wednesdays from 3:00pm-5:00pm: 1/3, 1/10, 1/17, 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/7, 3/14 (9:00am-11:00am), 3/21

Location: Skills Classroom

Midwifery Integration (MIN411q) 1 credit hour

Prerequisite: All required midwifery program courses must be completed or in progress.

It is strongly suggested that students have prior clinical experience and have begun attending births as a primary under supervision before registering for this course.

In this capstone course, students use their practice guidelines, protocols, forms, information sheets, informed choice forms, and other information to manage practice scenarios with a standardized patient. Students will have opportunities to be both an assistant and primary midwife in at least one scenario and to receive and offer feedback on these scenarios.

Taught by Aerlyn Pfeil, BSM, CPM, LDM

Dates: Tuesdays from 6:00pm-8:30pm: 1/16, 1/23, **No Class 1/30**, 2/6, 2/13, 2/20, Make up 2/27

Location: Skills Classroom

Postpartum (PTM251q) 5 credit hours

Prerequisites: Intrapartum (INT251q), Co-requisite: Postpartum Skills (PTM211q)

This course covers unique fetal anatomy and physiology, fetal transformation, newborn examination and age assessment. In addition, students learn neonatal procedures; behavioral states; infant postpartum assessment, care and complications; maternal assessment and care; maternal postpartum complications; and postpartum emotional disorders.

Taught by Emilia Smith, CPM, LDM, IBCLC

Winter 2018 Term

Midwifery Program - Clinical Training Credit Registration Form

Midwifery Program students working with a preceptor must complete this form each term.

How to Register for Clinical Training Credit (CTC):

- Your supervising preceptor and all co-preceptors must be approved by Birthingway before you register for Clinical Training Credit.
- To register for CTC, you must complete registration for this term **and** turn in this completed form with full payment (unless you are receiving a financial aid disbursement this term). If you fax this form, please call to confirm that we have received it. If e-mailing, submit form as PDF from Birthingway student e-mail to info@birthingway.edu.
- To indicate that you are working with a preceptor but will not be taking credits this term, register for zero credits.
- **If you've already registered for Clinical Training Credit for this term and wish to add more credits, please fill out an additional Clinical Training Credit Registration form and only write in the number of credits you wish to add (not your total number of credits).**

Dates and Deadlines:

- **Deadline to count CTC toward enrollment status: Monday, January 8, 2018 at 4:30pm**
 - Credits added after that date and time will not be counted toward enrollment status.
- **Deadline to add CTC: Friday, March 9th, 2018 at 1:00pm**
 - If you wish to register for clinical training credits after that point, your Program Coordinator must give you a **Clinical Training Credit Registration Deadline Waiver**, which must be attached to your registration form.
- **You can count hours toward CTC until Saturday, March 24, 2018 at 11:59pm**
 - After that date and time, any work you do cannot count toward CTC in Winter Term. Additional experiences and births may still count toward your requirements for licensure or certification, but may not be used for college credit.
- **Clinical Training documentation is due: Monday, March 26th, 2018 at 5:30pm**
 - Your completed clinical training documentation must be turned in the Midwifery Program Coordinator by this deadline in order to receive a grade of Complete. This includes your: Time Sheet, Evaluation of Preceptor by Student, Evaluation of Student by Preceptor, and Skills Assessment Checklist.
 - After this deadline you will receive an Incomplete. See the Student Handbook and Catalog for more information.

Clinical Training Credit Registration FAQ:

- **When can I start counting hours toward credit?**
 - You can only count hours toward this CTC registration from the time your completed Winter Term Registration and CTC Registration form are received **AND** after term begins (January 1, 2018) until 11:59 pm on Saturday, March 26, 2018. **Any work you complete before submitting this form and payment will not count toward this credit.**
- **What happens if I don't complete enough hours?**
 - If you are not able to complete the hours required to receive credit, credit will not be awarded. Refunds for incomplete credits will not be considered. Refunds for dropped credits follow the term refund schedule.
- **I am working with a preceptor but I don't need/want credit, or I won't get enough hours to get credit. Do I still need to register for CTC?**
 - Yes, you need to register for zero credits. Registering for zero credits will allow you to count hours and experience toward your NARM requirements, but not toward **any** Birthingway Clinical Training Credits.
 - This form helps to document the Preceptor-Student relationship and outline expectations for work, learning, and appropriate tasks and duties.

Lactation Consultation Program - Clinical Training Credit Registration Form

Lactation Consultation Program students working with a preceptor must complete this form each term.

How to Register for Clinical Training Credit (CTC):

- Your supervising preceptor and all co-preceptors must be approved by Birthingway before you register for Clinical Training Credit.
- To register for CTC, you must complete registration for this term **and** turn in this completed form with full payment (unless you are receiving a financial aid disbursement this term). If you fax this form, please call to confirm that we have received it. If e-mailing, submit form as PDF from Birthingway student e-mail to info@birthingway.edu.
- To indicate that you are working with a preceptor but will not be taking credits this term, register for zero credits.
- **If you've already registered for Clinical Training Credit for this term and wish to add more credits, please fill out an additional Clinical Training Credit Registration form and only write in the number of credits you wish to add (not your total number of credits).**

Dates and Deadlines:

- **Deadline to count CTC toward enrollment status: Monday, January 8, 2018 at 4:30pm**
 - Credits added after that date and time will not be counted toward enrollment status.
